Renovation with taste.

The result is impressive – and not just because of the attractive interior design: the typical American/Mexican menu is also pretty tasty, as numerous diners have been able to confirm since the turnkey project was handed over in 2018 and the restaurant opened its doors.

Impressions

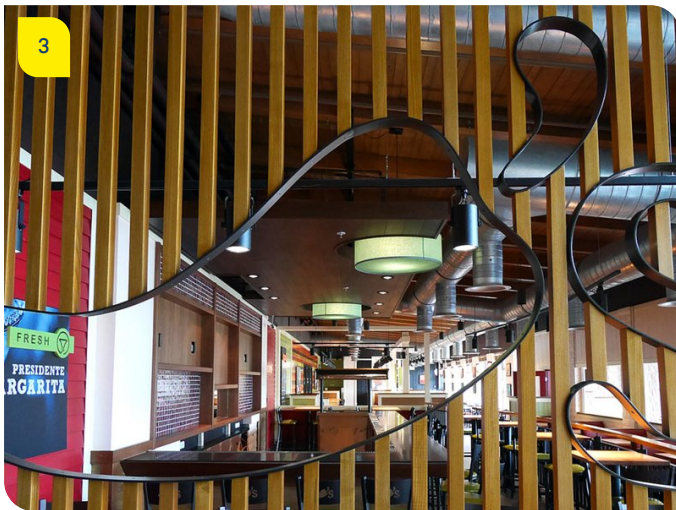

Image notes

1

Light bites and hearty meals.

Tempting odours of American/Mexican specialities waft next door to the Officers' Club, encouraging a second look at the attractive glass facade of Chili's Bar & Grill.

2

Tasteful interior.

At Chili's, the décor is as colourful and varied as the menu.

3

A Hint of chili.

A sophisticated diner: careful attention to detail
lends a touch of spice.
