# PORR constructs an office building for the Schleswig job centre

The capacity for dependable, successful collaboration between PORR and this client has already been tried and tested. PORR has previously provided general contracting services to HBG Bauträger GmbH on the new construction of a job centre in Bad Segeberg and an extension to a job centre in Ahrensburg.

The contract in Schleswig incorporates the construction of a two-storey office building with a partial basement, plus auxiliary buildings and external facilities including a 38-space car park. Four of the parking spaces are to be made fully accessible.
