New residential building with day care centre in Berlin-Lichtenberg

There is also an underground garage with tenant cellars, bicycle parking and 69 parking spaces. The already proven partnership and trusting cooperation between PORR and QUARTERBACK Immobilien AG was a decisive foundation work for winning the new contract. PORR has already demonstrated its expertise and the "Everything from a single source" service promise in several projects for the real estate and energy developer.

Completion of the shell is planned for the fourth quarter of 2024. The complete handover to the client is scheduled for summer 2025.
