PORR

Conversion of an existing property into a hotel with a cosy Brit Appeal

Two floors were completely gutted and rebuilt. In addition, the PORR team managed the custom interior fit-out through to completion. As with all hotels of the British premium economy brand, the amenities and range of services are excellent. From the wide variety of sweet and savoury cuisine in the lounge and the interior atmosphere characterized by British coolness to the luxurious Hypnos beds from the royal court supplier, excellent sound insulation, and blackout curtains in the rooms – numerous details ensure a good night's sleep and all-around satisfied guests.
