The Super 8 hotel brand's first flagship hotel in Europe.

The American Wyndham Group has more than 20 brands in its worldwide portfolio including a total of 9,000 hotels, as well as holiday homes and holiday clubs. The construction of the Super 8 budget hotel at Landsberger Strasse 270 in Munich's Laim district marked the company's first venture into the European market. And it's not likely to be the last of its kind: the hotel group's range of services is principally aimed at the middle classes who enjoy travelling, and who are looking for affordable, easily-accessible hotels in popular travel destinations. Exclusive partner and operator of the German Super 8 hotel is GS Star GmbH.
